### **United States Ju-Jitsu Systems & Yudanshakai**

The below listed individuals are **CERTIFIED BLACK BELTS** with the **United States Ju-Jitsu Federation**. Although the USJJF has black belt members from other associations, only the below listed black belts have their rank certified by the **United States Ju-Jitsu Federation**.

If you are a Ju-Jitsu or practitioner of a related art, and would like to have your rank certified by the **United States Ju-Jitsu Federation**, you may do so by completing the below requirements. [Click here](#) for detailed membership information.

**Important Notice:** It has been recently brought to the attention of the National Headquarters that there are individuals who are fraudulently or mistakenly claiming to hold USJJF rank certification. Unless the person claiming this rank is in possession of an actual USJJF rank certificate **and** their name is listed below (Dan level rank only), then their rank **is not valid with the USJJF**. To report improper claims of USJJF Yudansha or Mudansha grades or to further verify an individual's rank, contact our National Headquarters at [natlhq.usjif@gmail.com](mailto:natlhq.usjif@gmail.com).
